

Federal Emergency Management Agency, DHS

§ 207.2

§ 207.1 Purpose.

The purpose of this part is to implement section 324 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (Stafford Act), 42 U.S.C. 5165b.

§ 207.2 Definitions.

Cap means the maximum dollar amount that may be provided to a grantee for management cost funds for a single declaration pursuant to § 207.5(c) of this part.

Chief Financial Officer (CFO) is the Chief Financial Officer of FEMA, or his/her designated representative.

Cognizant Agency means the Federal agency responsible for reviewing, negotiating, and approving cost allocation plans or indirect cost proposals developed on behalf of all Federal agencies. The Office of Management and Budget (OMB) publishes a listing of cognizant agencies.

Grant means an award of financial assistance making payment in cash, property, or in kind for a specified purpose, by the Federal Government to an eligible grantee.

Grantee for purposes of this part means the government to which a Public Assistance (PA) or Hazard Mitigation Grant Program (HMGP) grant is awarded that is accountable for the use of the funds provided. The grantee is the entire legal entity even if only a particular component of the entity is designated in the grant award document. Generally, the State is the grantee. However, after a declaration, an Indian tribal government may choose to be a grantee, or may act as a subgrantee under the State for purposes of administering a grant under PA, HMGP, or both. When an Indian tribal government has chosen to act as grantee, it will also assume the responsibilities of a “grantee” under this part for the purposes of administering management cost funding.

Hazard Mitigation Grant Program (HMGP) means the program implemented at part 206, subpart N of this chapter.

HMGP lock-in ceiling means the level of HMGP funding available to a grantee for a particular disaster declaration.

HMGP project narrative refers to the request submitted for HMGP funding.

Indian tribal government is a Federally recognized governing body of an Indian or Alaska Native tribe, band, nation, pueblo, village, or community that the Secretary of Interior acknowledges to exist as an Indian tribe under the Federally Recognized Tribe List Act of 1994, 25 U.S.C. 479a. This does not include Alaska Native corporations, the ownership of which is vested in private individuals.

Indirect Costs means costs that are incurred by a grantee for a common or joint purpose benefiting more than one cost objective that are not readily assignable to the cost objectives specifically benefited.

Lock-in means the amount of management cost funds available to a grantee for PA or HMGP, respectively, for a particular major disaster or emergency, as FEMA determines at 30 days, 6 months, and 12 months or upon calculation of the final HMGP lock-in ceiling, whichever is later.

Management Costs means any indirect costs, administrative expenses, and any other expenses not directly chargeable to a specific project that are reasonably incurred by a grantee or subgrantee in administering and managing a PA or HMGP grant award. For HMGP, management cost funding is provided outside of Federal assistance limits defined at § 206.432(b) of this chapter.

Project refers to a project as defined at § 206.201(i) of this chapter for PA or eligible activities as defined at § 206.434(d) of this chapter for HMGP.

Project Worksheet (PW) refers to FEMA Form 90-91, or any successor form, on which the scope of work and cost estimate for a logical grouping of work required under the PA program as a result of a declared major disaster or emergency is documented.

Public Assistance (PA) means the program implemented at part 206, subparts G and H of this chapter.

Regional Administrator is the head of a FEMA regional office, or his/her designated representative, appointed under section 507 of the Post-Katrina Emergency Management Reform Act of 2006 (Pub. L. 109-295). The term also refers to Regional Directors as discussed in Part 2 of this chapter.
